Notes

- Courses and timing are subject to change.
- Use this handout in conjunction with your official degree audit and guidance from NSP Student and Academic Services.
- MPH Capstone students must complete a minimum 64 credits.
- MPH Thesis students must complete a minimum 67 credits.
- GCPD student complete the required MPH Practicum, NUTR 595, by way of the NUTR 561 Practice Experience.
- All NSP students complete a practice-based group capstone project by way of NUTR 531 in autumn quarter of year 2. This handout presumes you will be using this project towards your culminating experience requirement, which is the default. Decisions to pursue an additional thesis as your culminating project are typically made in winter and spring of year 1.
